

# County Line RC Club Info Sheet

Form Created 7/08/08

## Club Hours

CLRC's Club site is located among some neighbors. In order to keep the peace (and the field!), we do not allow any glow or gas engine operation before 9:00am on Sundays, and before 8:00am the other days of the week. If you are an early riser, you will be among friends flying electrics. A few get there before daybreak to fly in the dark! The sun is just right early in the morning.

## Club Meetings

The membership of CLRC meets officially four times a year. Generally, the meeting dates are the 3rd Sunday of January, April, July and October. Officer Elections are held each year at the January meeting. Meeting time is usually 2:00 pm. We meet at the field, unless weather prevents it. You will get emails or letters announcing meetings a week or two in advance. As the website gets more complete, announcements will be made there.

## Club Website

You can find these documents and other club and general info on our website. Taxi over to [www.countylinerc.com](http://www.countylinerc.com).

Save the \$35 for fuel or batteries and pay your dues on time. Those who join after March 1 will pay prorated dues. For each month after March 1, \$5.00 will be subtracted from the dues. For example, if you join around May 1st, your first payment will be \$75.00.
